

Parkway West High School Celebrating 50 Years!

In 1968, a group of Parkway educators opened a greatly needed second high school. At the time, Dr. Al Burr was principal of the original Parkway High School, running double shifts to meet the needs of one of the fastest growing school districts in the nation.

For 50 years, West High has been a learning community of students, teachers and parents. We strive for excellence; we expect commitment and loyalty; we encourage engagement and involvement.

Congratulations Parkway West on 50 years of Teaching and Learning!
As always...

Take care of yourself! Take care of each other! Take care of this place!
